About Ifra

Ifra (www.ifra.com) is the world's leading service organisation for newspaper and media publishing industry. The company serves more than 2,000 publishing companies and suppliers to the publishing industry from over 60 countries worldwide. Since its inception, Ifra is the preferred platform for decision-makers to exchange experiences and best practices. Ifra specialises in all issues relating to the production of publications and in particular printing technology. A board of publishers from around the world monitors Ifra's work. The company's daily goal is to be the most competent partner to all those in the media publishing industry.

The Company's businesses consist of Ifra Membership Programs; Ifra Research; Ifra Consulting, customised engagements tailored to the newspaper industry; Ifra Events, international symposia, seminars and workshops, annual "Ifra Expo" (www.ifraexpo.com) for the newspaper industry; and Ifra Training, practical, hands-on training offered in state-of-the-art facilities or as on-site training. Ifra also publishes the trade magazine "Newspaper Techniques" in five languages (English, French, German, Spanish) monthly and in Chinese quarterly for Ifra Membership Programs members.

Founded in 1961, Ifra is headquartered in Darmstadt and has presence in 12 regional offices worldwide.
