

Radio 91.3 Programme Highlights

The Morning Show

Monday – Friday (6am – 10am)

Joe Augustin and Petrina Kow, the names say it all. Two fast talking, quick witted personalities who can quick change from one character to another make for colourful story telling in the mornings. A slice of life you can relate to, with a huge dollop of humour thrown in. There's a touch of your life too, as they pick up on everyday concerns via the Straits Times Forum and Home pages.

Tuckshop

Monday – Friday (10am – 2pm)

Welcome to Marilyn's Tuckshop, where you leave work & worries behind and enjoy the finer things in life. Do you love your food? Well, *Let's Eat!* is a food sampler's paradise. Not only do we look at the nutritional content of what you eat, we recommend hawker fare and do fine food tasting. We ask the experts about the finer points of wine/beer appreciation as they mix up new and interesting concoctions on *Fruit of the Vine!* And keep your fingers on the pulse of cultural events in S'pore on *What's Up!*

Sunset Boulevard

Monday – Friday (5pm – 8pm)

If peak time traffic drives you crazy, try zen-ning out with Hubert Tang (Monday & Friday) and Sabrina Yazid (Tuesdays to Thursdays) who solemnly promise not to be backseat drivers. Mondays and Fridays, motoring expert Leow Ju-len will steer you in the right direction if you are shopping for a new set of wheels together with Hubert Tang. With their quirky take on life though, you better buckle up!

Love Always

Monday – Friday (8pm – 12am)

The Love Goddess comes full circle as Suzanne Walker returns to her roots. But beware, she's no more the love struck ingénue, and she has the battle scars to prove it. This is real love, as Suzanne coaxes listeners to talk about *The Ex*. She remains though, optimistic about cupid, which is why there will be *Love Stories* and *Erotica Moments* culminating in the *Love Letter*, before the Love Goddess leaves like a forbidden lover silently into the night.
