

## Radio 91.3 Programme Highlights

### The Morning Show with Petrina and Joe

Monday – Friday (6am – 10am)

Joe Augustin and Petrina Kow, the names say it all. These two fast-talking, quick-witted personalities make for colourful storytelling in the mornings as they quick-change from one character to another... and another. You can always count on this dynamic duo to serve up a slice of life you can relate to, with a huge dollop of humour thrown in. There's a touch of your life too, as they pick up on everyday concerns via the Straits Times Forum and Home pages.

### Tuckshop with Marilyn Lee

Monday – Friday (10am – 2pm)

Welcome to Marilyn's Tuckshop, where you leave work and worries behind and simply enjoy the good life. *Fruit of the Vine* brings you the finer points of wine appreciation. *Let's Eat* is all about knowing what you are putting into your body. And when over-indulgence turns to overweight, *Shape* will get you back on track to health. Then there's food for thought as Marilyn nourishes your mind with book reviews and *Pop Art*. It's all part of the balanced diet at Tuckshop.

## **Sunset Boulevard with Jane Boey**

Monday – Friday (5pm – 8pm)

Driving home from work will never be the same again as Jane hooks up with different partners all through the week. Star blogger Leow Ju Len brings his quirky perspective from online to on air – his mania for motoring may well steer you in the right direction if you're shopping for a set of wheels. And closer to the weekend, Jane goes on a movie date with the editor of First Magazine. So many men, so little time!

## **Love Always with Suzanne Walker**

Monday – Friday (8pm – 12am)

The Love Goddess comes full circle as Suzanne Walker returns to her roots. But beware, she's no more the love struck ingénue, and she has the battle scars to prove it. This is real love, as Suzanne coaxes listeners to talk about *The Ex*. Yet despite all, she remains optimistic about cupid. The unsinkable spirit of a true survivor buoys up *Love Stories* and *Erotica Moments*, culminating in the *Love Letter*, before the Love Goddess steals away like a forbidden lover, silently into the night.
