

About NUS Extension

Our Mission

To make the NUS experience of excellence in higher education available to a wider community of interested learners and thus to strengthen our University's social impact and its relationships with different segments of society.

Corporate Profile

NUS Extension is the continuing education arm of the National University of Singapore (NUS), the nation's premier university. For more than 40 years since our inception in 1966 as the Extra-mural Studies Department of the then University of Singapore, we have dedicated ourselves to providing a meaningful and enriching experience for lifelong learners.

As an integral part of NUS, NUS Extension seeks to support the University's philosophy for quality education and innovation. We are always keen to develop new ideas and ready to respond promptly and dynamically to learning needs.

Our heritage ensures that we have access to the best of all worlds: finest instructors, well-researched and time-tested training methods, as well as innovative learning resources. Leveraging on our University's pool of academia and network of leading industry practitioners, we impart up-to-date knowledge and skills that maximise your potential and sharpen your competitive edge, so as to help you better meet the ever-changing trends of the knowledge economy and work climate.

Our Areas of Expertise

Today, NUS Extension offers a comprehensive suite of courses in the following learning platforms:

- Professional and Management (Staying Relevant)
- Enterprise Leadership (Cultivating Leaders)
- Entrepreneurship Development (Nurturing Entrepreneurs)
- Personal Enrichment (Enhancing the Individual)

We cover an array of disciplines such as risk management, strategic planning, sales and marketing, customer service, computing, language, culture and the arts, as well as health and wellness, just to name a few.

Our philosophy is to nurture people by providing learning opportunities at all stages of life. Whether your objective is to acquire professional skills for career advancement, learn the ropes of business start-up and management or engage in self-enrichment learning, we have something for you. At NUS Extension, we offer a range of possibilities.
