

## Appendix C: Trial Classes

Friday, 19 March

Start/End	Class	Synopsis
01:00 – 02:00 PM	<p><b>Little Arts Academy - Beatbop (Baby percussion)</b></p> <p>Age: 3 – 4 years Price: S\$10 Class Size: 40</p>	<p>Stomping around can be more than just that. Let your child create rhythms and sounds with fun movements in this course for young ones who love to make lots of noise!</p> <p>Children will learn the some basic beats and rhythms and grasp the relationship between these different note values, expressing these relationships through movement.</p> <p>Trainer Jean-Gabriel Pophillat is currently a final year student in BA (Hons) in Music programme at the Nanyang Academy of Fine Arts. As a performer, his interests encompass a wide sphere of music, from traditional Chinese music to traditional Javanese <i>gamelan</i>, from the Gregorian chant to the most cutting edge of 20th-century music. In particular, he has made a name for himself promoting local contemporary music, premiering the works of diverse composers from Singapore.</p>
02:00 – 03:00 PM	<p><b>Little Arts Academy - Towards Fundamentals (Ballet-based creative play)</b></p> <p>Age: 3 – 4 years Price: S\$10 Class Size: 40</p>	<p>Let your child discover the different aspects of the arts (music, dance, theatre and visual arts) through this ballet-based course. Course highlights include improvisations on imaginative scenarios, emotions and rhythm. Children will get an understanding of Ballet discipline and simple exercise techniques through the usage of compelling visual images and games.</p> <p>Trainer Jaime Pang believes in instilling fun into ballet whilst maintaining the stringent requirements of classical ballet technique and holds a Certificate of Ballet Teaching Studies (CBTS) from Royal Academy of Dance and a Royal Academy of Dance Advanced 2.</p>
